THE SECRETS WITHIN

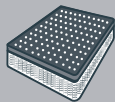

BAMBOO QUILT

The health properties of bamboo are renowned. Woven into a cool, soft, silk-like fabric more breathable than cotton, bamboo is, durable, anti-microbial, antibacterial, and environmentally friendly.

WOOL FILLING

An important part of maintaining the perfect bed climate, pure new wool has a natural ability to both warm and cool, helping you to stay dry and relaxed at a comfortable temperature.

LATEX LAYER & FIRM FOAM LAYER

A luxurious layer of Latex with push back support is cool and supportive with pressure relief properties. It responds with increasing support and conforms and moulds to the body. The combination of Latex and firm foam supports your body with exceptional comfort.

DSX® + LOW PROFILE POCKET - FOAM ENCASED

Exquisitely designed to assist your body to completely relax and recover, helping you to escape to the luxury of deep sleep every night. DSX® + low profile pocket springs provide two levels of support: Micro-conforming low profile pocket spring cradles the body. The DSx Spring senses body's weight and responds with deep-down support the body needs to recover each night.
